Thus for the said 3 months and 6 days

further loss may accrue as the late

Sir,

With reference to Government Proceedings No. 15741/1926, dated 20th/24th March 1893, I have the honor to forward, herewith, Copy of letter No. 1617, dated 13th April 1893, from the Deputy Commissioner, Tumkur District, explaining the circumstances under which the resale of certain Toddy shops in the Gubbi taluk, was put off till the 26th December 1892, and the cause of the heavy falling off of Revenue when the farm was under Government management.

2. In regard to the result of the

the steps taken to recover the amount due by the defaulting farmer Kuchuppa, the Deputy Commissioner, in his docket No. 1490, dated 23rd/24 March 1893, has reported that Rs. 577-8-0 held in deposit, has been ordered to be credited towards the arrears, and that coercive steps are being taken against the defaulter and his surety for the recovery of the balance. In his docket No. 1636, dated 17th April 1893, he reports that certain property of the defaulter which had been attached, having been claimed by a 3rd party, it has been released from attachment, and that some other property is being looked for. The Deputy Commissioner's attention has been invited to the provisions of section 143 and last para of section 193 of the Land Revenue Code, and he has been requested to proceed against the property of both the defaulter and

his

his surety, and if necessary, to take action under section 163 of the said Code.

Sir

With reference to your memorandum no: S-145/89 dated 25th Ultimo forwarding copy of Government-order no: 15-741/1926 of the 20th March 1893, calling for some further information in connection with the resale of certain toddy shops in the Gubbi Taluk during the current year (1892-93), I have the honor to state as follows:—

2. The previous farmer of the shops in question viz Huchappah is stated to be a man without adequate means and quite a stranger to the business of Toddy Contract. As such, he offered the heavy sum of Rupees 577—8— per month for the shops, without calculating whether he could realize that amount. As, however, his offer happened to be the highest at the time, it was accepted by the special officers who conducted

the sale without enquiring about his solvency &c In proof of his want of resources, means &c it may be stated that out of the five shops taken up by him only two had been worked by him when the farm was resumed and brought under Government management. The professional Edigars, who had taken up all the neighbouring shops at short distances from his, naturally enough, combined against him, drew all the customers to their own shops and refused to work under him. Under such untoward circumstances, the shops reverted to Government. Men could not be procured to work as Vendors for a temporary period. It was not possible therefore to work all the five shops, and this account for the smallness of the income when they were under Government management. Further that being the rainy season, consumption was less, while for the same reason the cost of transporting the Toddy from a distance of nearly 20 miles, was high. A detailed statement shewing the monthly consumption, the establishment charges, and the net income

income in each of the two shops worked is herewith forwarded —

3. Now as to the delay in effecting the resale of the shops in question on their resumption from the first farmer. The Government order sanctioning the resale, is dated the 17th September 1892. After due publicity in the Gubbi and the adjoining Talukes, the sale was held on the 30th October 1892. One Kendiah of Gubbi offered Rupees 425 per month. But before the confirmation of the sale, the defaulter Huchappa represented that, owing to the rainy season and other unfavorable causes, he was unable to work all the 5 shops and pay up the Kists, that he would pay the arrears and give proper security for future payments if the shops were given back to him for the amount offered by Kendiah in the 2nd sale, and that he would be ruined if he were deprived of the farm just when the hot-weather was coming when he hoped to make up the past losses and clear the arrears. As a large amount was due from him it was thought advisable to give him another chance and recover the arrears from him Therefore the confirmation of the 2nd sale was deferred.

eferred, and he was told that he would
ve back his farm if he paid up all
e arrears and agreed to pay in future
e original monthly Kists regularly
ving tangible security therefor. He
reed to do so, and wanted time
t at last failed to abide by the
ove conditions. Then the 2nd sale
as confirmed and the farm
nded over to the purchaser on the
th December 1892

Amildar or such other

steps do not appear to
have been taken to work
the Shops with as much
activity and zeal as a

the officer who should be
held responsible for this
neglect and Consequent

should be enhanced.

3/ The season & the cost of transporting toddy do not appear to have contributed largely to the falling off noticed.

4/ The statement furnished by the Deputy Comr shows that out of 1036 chadas of toddy brought to the two shops, 445 chadas of toddy had to be thrown out. All the 5 shops brought under Emam were not worked, and the 2 shops that were worked were not properly managed

with

with reference to the existing demand. This is very unsatisfactory

5/ The reasons addduced by the Deputy Comr for the delay in effecting the resale are equally unsatisfactory when the defaulter was found to be a man without sufficient resources he should not have been allowed a second chance and the steps taken in this direction was not a wise one. Much of the loss caused could have been saved,

the Second Sale had

Order thereon

With the above the Excise Commr submits for Sanction a remission statement for Rs 3218-13-0 being the arrears of rent so due from Muchappa, late Toddy Vend Farmer of Gubbi and 4 other shops in the Gubbi Taluk.

2 The defaulter took up these shops for a monthly rental of Rs 577-8-0 at the Sales held in april 92, but failed to produce tangible Security and also to pay the monthly Kists regularly. The shops were consequently resumed and resold to one Kondiah for Rs 425/- per

after unnecessary delays for months together

Mundum, which resulted in a loss of Rs 152-8. per mensem to Govt.

Before however the resale was confirmed, the defaulter represented that he might be allowed another chance to pay up all the arrears of Kists and furnish proper Securities, which was accordingly granted and the resale was not confirmed till the 16th Dec/92 after the defaulter failed a second time.

3. The Dy Comr reports that out of Rs 5572-11-10 (including loss from resale) due from the defaulter, a sum of only Rs 2353-14-10 including deposit & sale-proceeds of defaulter's property was realized leaving a balance of Rs 3218-13-0 still due. But Govt regret to observe that though the defaulter failed to furnish

SUBJECT. Complaint of Ramakrishniah Cloth merchant, Bangalore that certain Toddy Vend Farms in the Bangalore Taluk for which he was the highest bidder have been sold to third parties.

ST REFERENCE. Letter No. 648/89 dated 19th Augt 93 from the Excise Comr in Mysore

Vide petition of 19-9mo/93 Paper no 3/b

In June last, one Ramakrishniah, a cloth merchant in Bangalore submitted a petition complaining that certain Toddy Vend Farms in the Bangalore Taluk the sale of which to the petitioner had been cancelled on the ground that Govt wished to have the shops under Abkari Management, had since been sold to third parties, and requesting

B

that the said Shops & Godown might be restored to him for the amount of his bid.

This petition was forwarded to the Excise Comr for a brief report. Vide offl memo no Rev 22 dy 30th June 93. (paper no 2)

2. The Excise Comr has now submitted a copy of Dy Comrs letter on the subject, without expressing his own opinion as to the justice or otherwise of the Dy Comrs procedure. Vide no 648/89 dy 19th Augt 93. (paper no 3)

4. In this connection, the Dy Comr, Bangalore states:—

"When I cancelled the sale of the Bangalore Farm held by Rajhunatha Row, I had the Shops in the Bangalore City each separately, and the one in the City & the Station paper no 3/A

rently, sold subject to my
confirmation, and subject
to the conditions that any
shop might be worked by
the Govt under Amani. The
shops in the city & the
Station did not fetch
a reasonable rent; so
it was resolved to work
them under Amani, and
therefore to prevent the
above shops being under
sold it was decided to
reserve a few shops in the
~~vicinity~~ neighbourhood
either for amani or for
lease subject to my can-
-cellment at any time.
The petitioner had some of
these shops. He refused to
take them on that Condition
These shops have since been
leased out to persons who
have accepted the Condition

5. In the Deputy Comrs report there seem to be two points worth noticing.

(a) The propriety & in fact the legality of a condition reducing the lease of a Land Farm subject to the Dy Comrs cancelment at <u>any time</u>.

(b) Whether such a condition was really inserted in the notice ~~sale~~ before the shop were sold to the petitioner & and whether notwithstanding such a condition, the petitioner bid for the Farms complained of.

6. The insertion of such a condition as above seems to be very prejudicial to the interests of the lessee in as much as there

will be no security for the lessee that the lease would continue for any reasonable length of time, and in fact it is revocable at any moment. Whether there was such a condition could not be made out unless the Sale Books are received, which if approved, may be called for. A copy of the Notice calling for tenders in the Whole Province is submitted. Submitted for orders.

H.D. 6/9/93

The Petitioner further complains that due publicity was not given when the shops were sold & the parties who hold them at present. The Diplomas report do not touch upon all the points raised in the petition. The records may be sent submitted for orders

With reference to your memo No 105/5 dated 8th July 1893, I have the honor to state that, when I cancelled the sale of the Bangalore Farm held by Mr. Raghunatha Row I had the shops in the Bangalore Taluk, each separately, and the shops in the city and the station jointly, sold, subject to my confirmation, and subject to the condition, that any shop might be worked by the Government under Amani. L. Ananda Rao Esq
Chief Secretary to the
Dewan of Mysore
Bangal

Respected Sir

I Ramakrishnaiah, Cloth Merchant respectfully beg to submit the following few lines for your honor's kind consideration trusting that my prayers will be met with Your honor's approval.

When the Toddy Contract of the Bangalore Cask was put up to auction by Mr. G. Raghunatha Rao it was given to Mysore Bajjanna for the amount of Rs 81000 including the Cess. The Government not being satisfied with the result, ordered the sales to be cancelled and the Contract was again put up to auction and the sale was accordingly held by Mr. Kuppuswamy Naidu the 2nd General Assistant Commissioner in presence of Mr. Nagesa Rao, the Amildar of Bangalore, and several others. The shops in the city and Cantonment were given to one Subbarayadu of Yellahanka for Rs 45000 for 15 months. I purchased a few village shops with 24 Inam groves. As it was late in the night, I was asked to produce the deposit on the following day. I agreed to do. I went

the Deputy Asst. Collector of Salt Customs, and was informed by the Amildar that all the Toddy shops in the City and Cantonment Agencies together with the shops of Dry Fish were to be retained under "Amani" on the supposition that Dry shops would interfere with the sales of those in the City and Cantonment and in case of Dry retaining the Contract I was asked to execute a Kuchalika inserting certain new conditions, which were not specified at the time of sales and which were quite detrimental to my interest. I had no alternative but to resign as I fully believed at the time that it was a deep contemplation to keep the shops under "Amani" management.

I beg to submit that I have now been given to understand that the same shops which were given to me at the time of the sales are again rented out to three individuals on two or three different occasions. Now what I beg to submit is that the procedure now adopted by the Government is quite opposite to Equity and justice in as much as the shops and the Tanums (groves) purchased by me were first taken away on the ostensible reason that they will be kept under "Amani" on account of their being very near to the shops in the City and Cantonment and consequently they were supposed to affect the sales in them. In fact the public at large as well as myself were kept in profound darkness as to the time and place of the Sale and by whom it was to be conducted. If the Government thought it to be prudent to rent out the same shops again, their action would have been justified without any reference to my claims. It is

a matter of regret that the same Government who
expect the Public to obey the rules and regulations
on pain of punishment, should set at defiance the very
rules framed by them.

I would also beg to submit that I would
have never given my consent to give up the Contract
if I had been aware that it was the intention of the
Government to rent out the shops to other individuals
than myself. I was made to give up the Contract on the
distinct understanding that the shops would be kept
under "Amani" management.

Under the above circumstances I
respectfully solicit that Your honour would be pleased
to send for the whole records and after perusing them
to order the restoration of the shops and grooves to
me for the same amount of Security paid

For which act of kindness and generosity
I shall in duty bound ever pray the Almighty to
Your honour's long life and prosperity.

I beg to remain
Respected Sir
Your most obedient & humble
Servant.
